2. Any contracts or correspondence between the Department of Homeland Security and the Institute of Terrorism Research and Response.

The requestor was advised that the Federal Procurement Data System (FPDS) is a publicly available database of all federal procurement actions. This tool is available at <https://fpds.gov> and allows registered users to conduct searches and generate reports on procurement data. Additional informational is also available on the FedBizOpps website at <https://www/fbo.gov> by using the solicitation number.

As it pertains to your fee waiver request, since the fee falls below the \$14.00 threshold there is no charge.
